Required Supporting Documents for Nomination

Please include the following supporting documents with the nomination submission:

1. A copy of the candidate's passport
2. A recent passport-sized photograph
3. A brief curriculum vitae (CV) highlighting the candidate's achievements and contributions
4. Educational certificates
5. Letters of recommendation
6. Recognized professional credentials in the candidate's field of expertise
7. Awards, certificates of recognition, or other evidence acknowledging the candidate's ideas or projects
8. Patent certificates or pending patent applications
9. Published research, theories, or other scholarly work from credible sources

Note: Document requirements vary by award category, and not all documents listed above are mandatory for every category. Any required documents will be clearly indicated in the application form.
